

Dear Beloved Partners in the Isnag Ministry,

I will be leaving tomorrow, April 7 to go to Dibagat village to celebrate the Holy Week there with our brothers and sisters in Christ. I will be there until April 17. Please pray:

That God will be glorified during our celebration.

For me. At this point, I don't have the slightest idea on what to preach on during our celebration. Please pray that the Lord will reveal to me His Word that He wants me to share with the people, and pray that the Spirit will give power to His Word as the people hear it.

For my health: that I will have no health issues while in the village so I could accomplish what the Lord wants me to do there.

For the pastors as they do the preparations. They will lead Bible Studies, and organize the other activities. Please pray that the Lord will use them to meet the spiritual needs of the people attending the Bible Studies.

For the people, that God will open their hearts and minds as they receive His Word. Please pray that the Lord will surround His people with His Almighty Hand, and protect them from the enemy.

For harmony and unity among the believers as they work together on the activities they had planned to do. Please pray that the love of Christ will become evident in their lives as a witness to the unbelievers.

For God's provision during the celebration. We start on Thursday evening until Friday evening, and then on Easter Sunday. We are expecting people from neighboring villages to come. We are expecting to feed about 450-500 people two lunches, Friday and Sunday.

That the Lord will call out His chosen ones to commit their lives to Him this Holy Week.

Thank you very much for your partnership in prayer.

Joyfully serving the Lord Jesus Christ,

Rudy
